

Carter Mountain Brass Band Covid 19 vaccination policy

1. This written policy will be reviewed and revised annually as appropriate.
2. The policy is operated by the honor system (no physical verification of vaccination cards).
3. For the 2023 season, CMBB requires its members to have at minimum the updated bivalent mRNA booster. If a member has not had that updated booster, then that member should have at least the following:
 - the primary series of vaccines (2 doses of the Moderna, Pfizer, or Novavax vaccines; or 1 dose of the Johnson & Johnson vaccine)
 - the original booster, if at least 8 weeks has elapsed since you received your primary series
